(a) whether Government's attention has been drawn to the news-item captioned "AAI move fails to remove ills of system" as reported in the Statesman dated 3.10.99;

(b) if so, whether the defects came to the notice of AAI on various systems during the plane accidents in the last one year have not been rectified; and

(c) if so, the reasons therefor?

THE MINISTER OF CIVIL AVIATION (SHRI SHARAD YADAV): (a) Yes, Sir.

(b) and (c) All the defects which came to the notice of Airports Authority of India have been rectified. The new system was commissioned after prolonged tests and Trials and since its commissioning, there has been no system failure nor any defect noticed that could contribute to any aircraft incident. The automation system in use provides adequate safety alerts that help in Air Traffic Management.
